Fabriqué en République tchèque

La société SOLIDA, s.r.o., est une entreprise familiale tchèque fondée en mai 1993. Son programme de production se concentre principalement sur un système complet de techniques de fixation. La fabrication de colliers, principalement des colliers à vis simple et double, constitue le programme principal de l'entreprise. L'entrepôt de l'entreprise offre une capacité suffisante pour traiter les commandes à travers toute la République tchèque et à l'étranger.
